MEET LOSI

HI, I'M LOSI.

No call center. No dispatcher. Just me.

20+ yrs
in the trade

Since 2015
running my own shop · CSLB #1002637

My team
I trained them myself

Union City
out to San Mateo and San Jose. I don't limit myself.

HOW I WORK

MOST OF MY WORK IS WORD OF MOUTH.

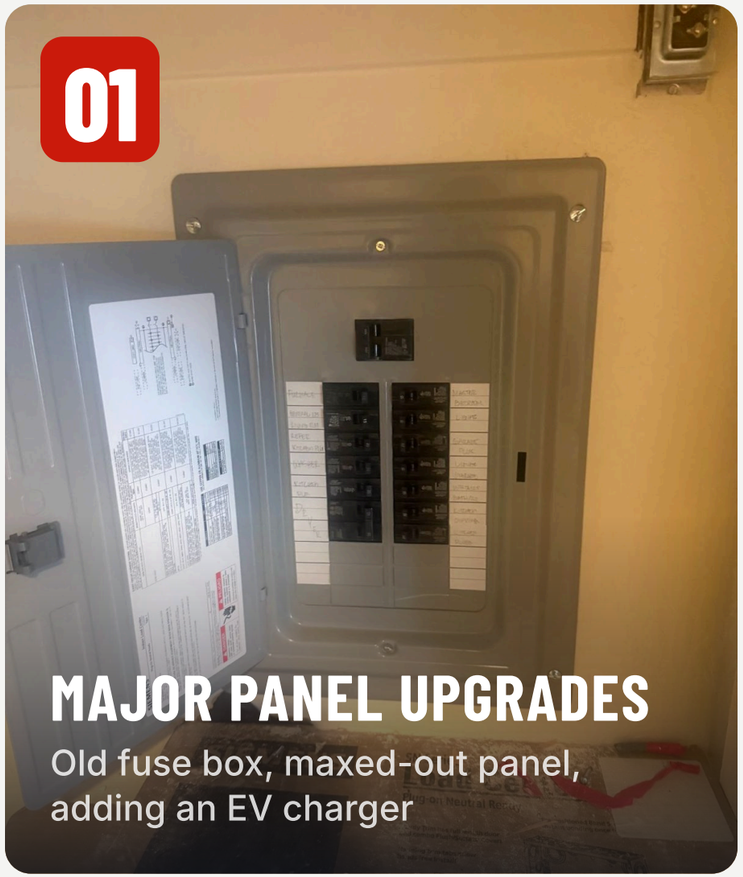

1. I SHOW UP WHEN I SAY I WILL
2. I'LL GIVE IT TO YOU STRAIGHT
3. PERMITS PULLED. EVERY JOB.

> *"Fixing something that hasn't worked in years and having the client cheer you on. That just makes your day."*

WHAT I SPECIALIZE IN

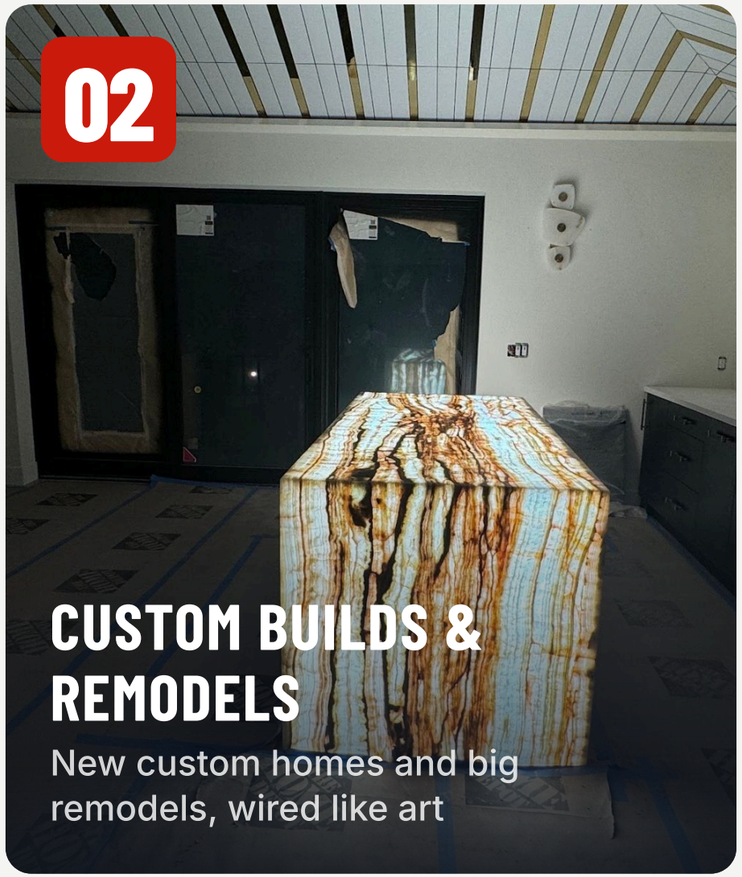

THREE THINGS I DO BEST.

01

MAJOR PANEL UPGRADES

Old fuse box, maxed-out panel, adding an EV charger

02

CUSTOM BUILDS & REMODELS

New custom homes and big remodels, wired like art

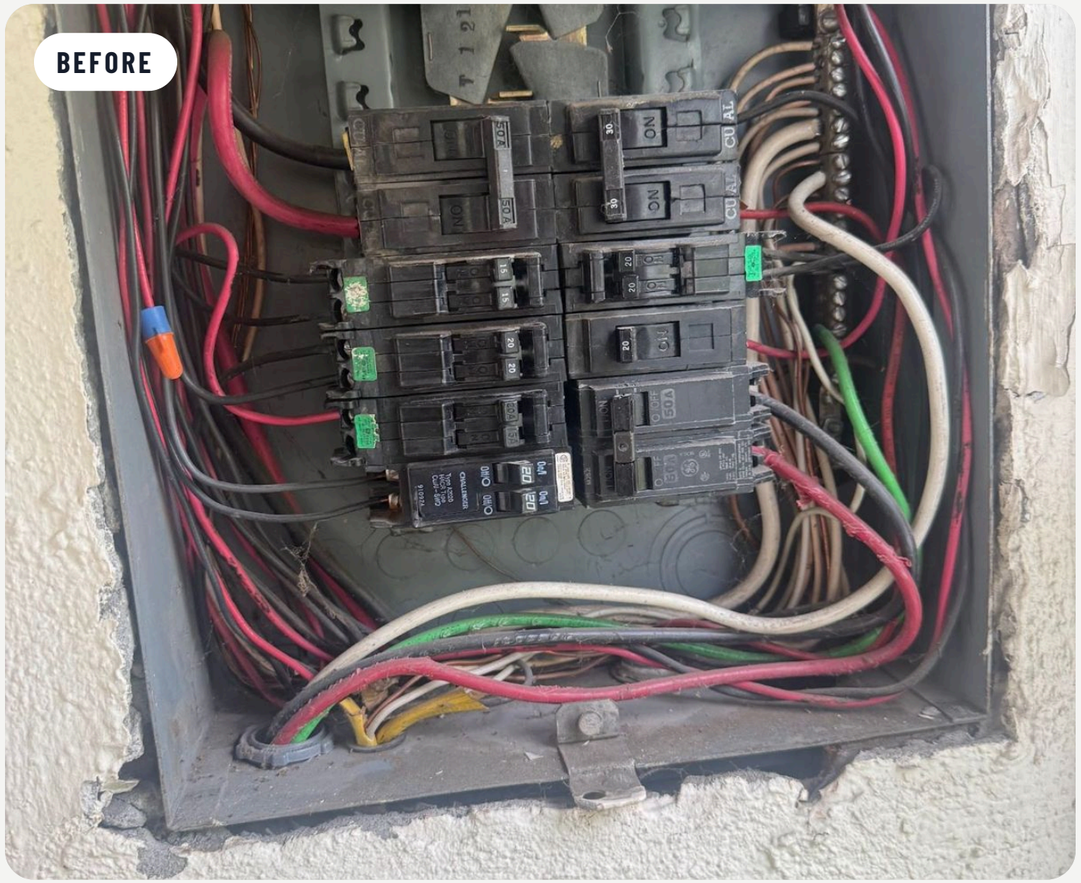

03

EMERGENCY CALLS

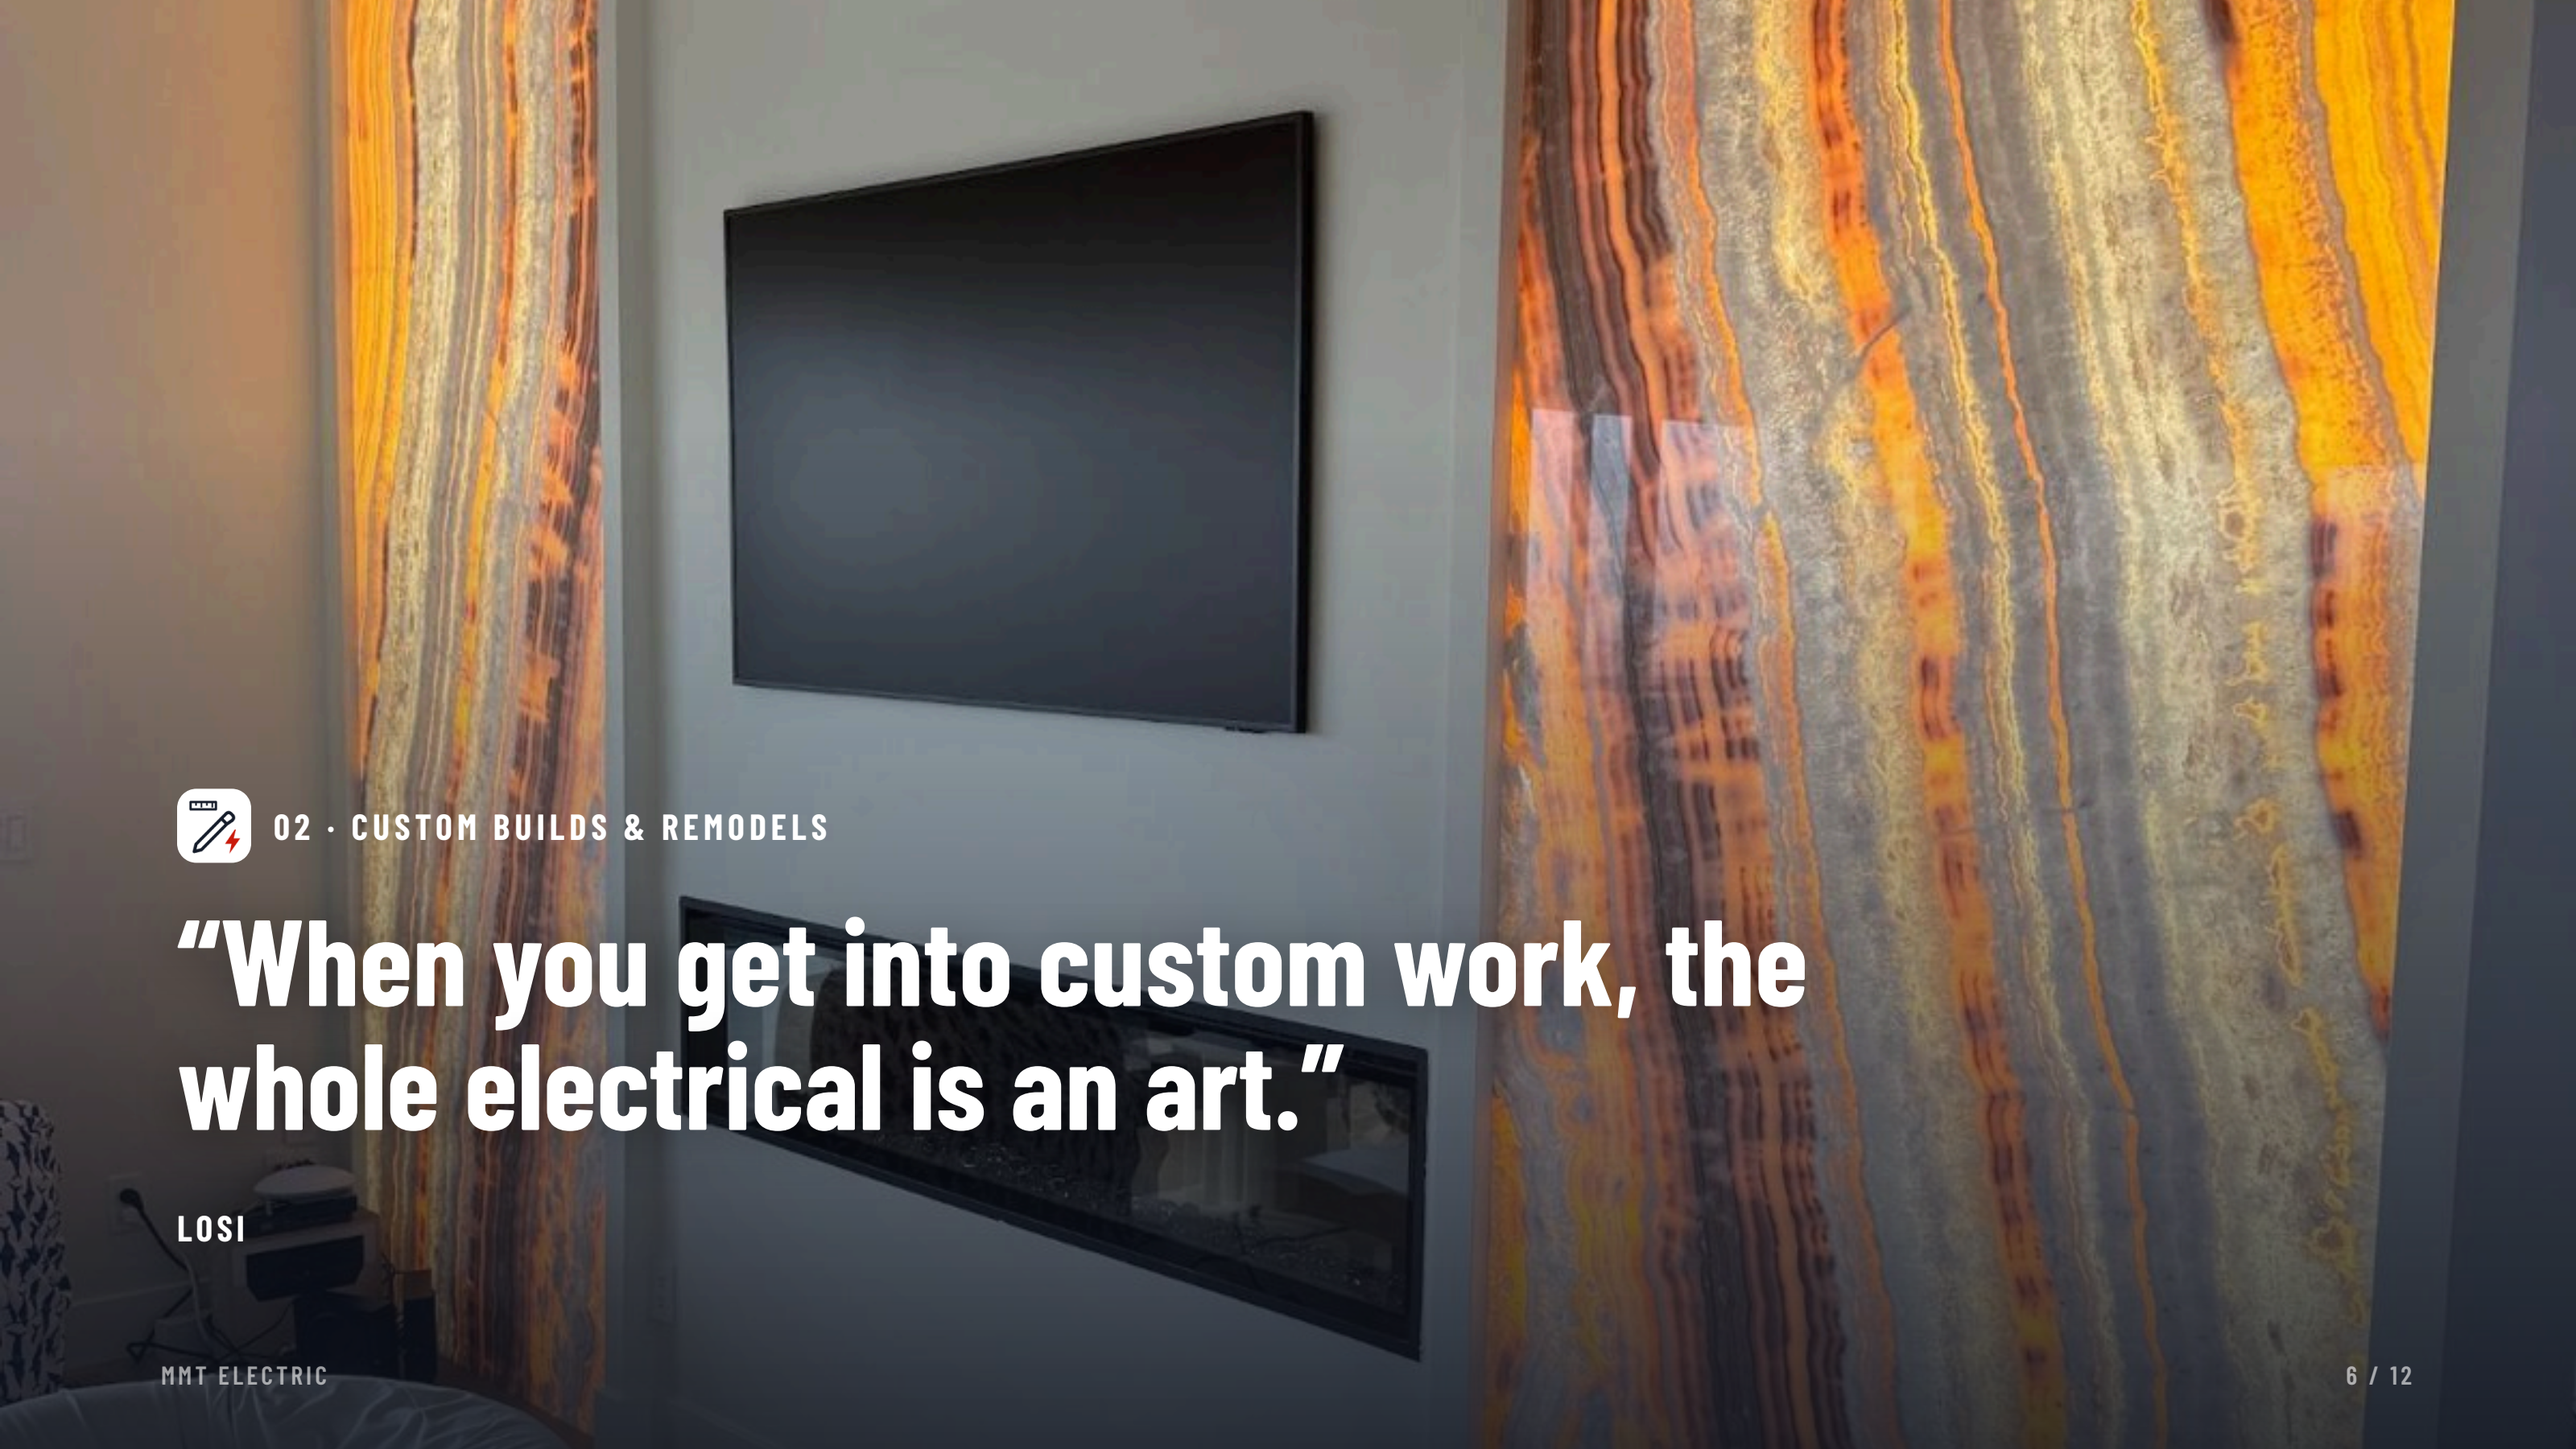

Lights out? Call me. I pick up.

OUT WITH THE OLD.

Major service upgrades.

02 · CUSTOM BUILDS & REMODELS

“When you get into custom work, the whole electrical is an art.”

LOSI

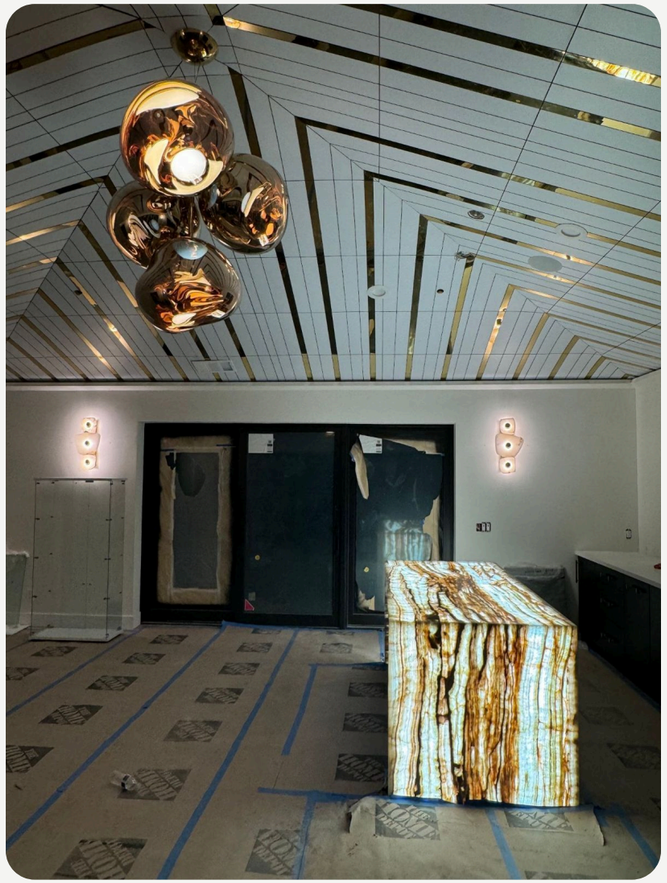

CUSTOM RESIDENTIAL

MAKING THINGS GLOW.

Backlit onyx walls and a lit-up island.

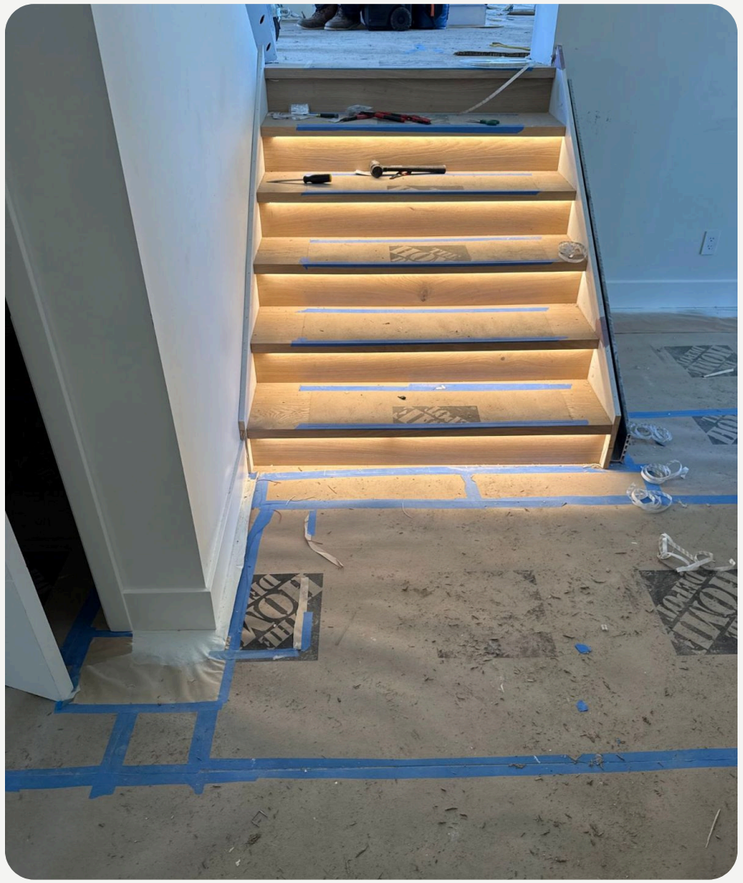

DESIGNING LIGHTING

LIGHT IT UP RIGHT.

I love designing lighting. Where it lands and what it's for.

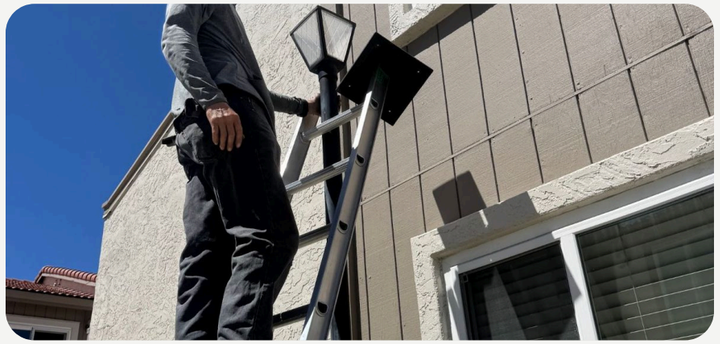

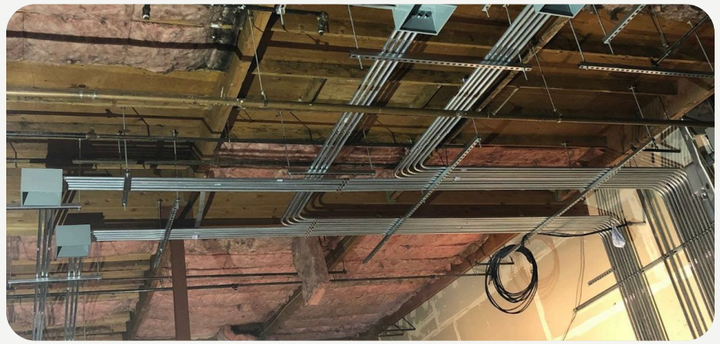

03 EMERGENCY CALLS

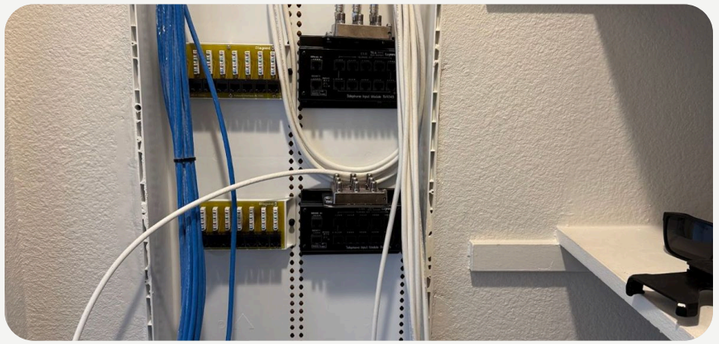

WHEN THE LIGHTS GO OUT, WE COME TO THE RESCUE.

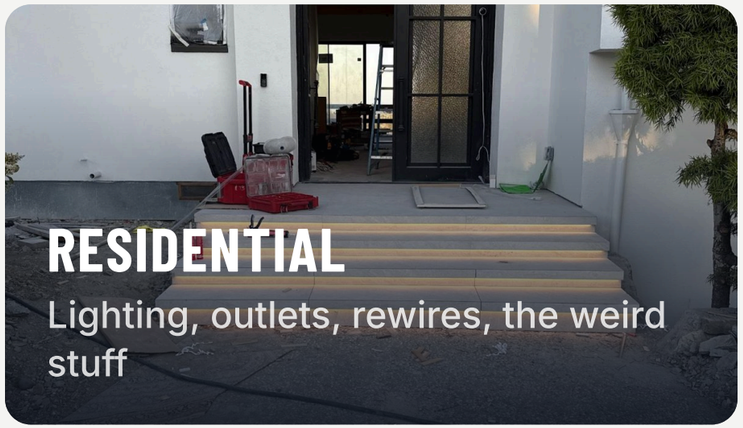

OTHER SERVICES

IF IT RUNS ON POWER, I GOT YOU.

RESIDENTIAL

Lighting, outlets, rewires, the weird stuff

COMMERCIAL BUILD-OUTS

Restaurants, gyms, showrooms, offices

LIGHTING DESIGN

Where it lands and what it’s for

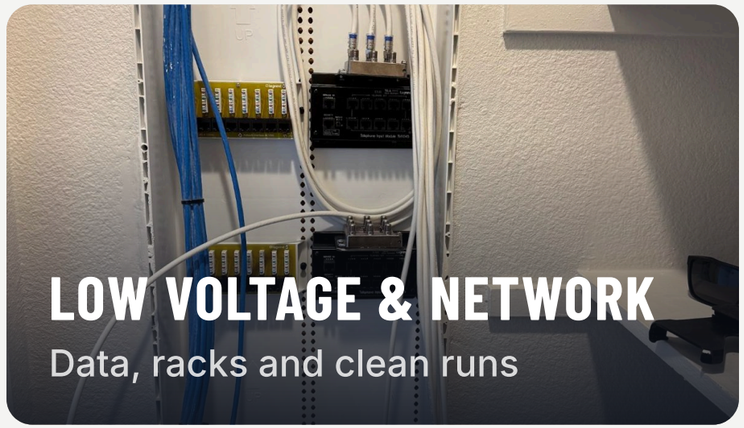

GENERATORS & BATTERY BACKUP

Keep the power on

METER BANKS

Multi-unit and commercial

LOW VOLTAGE & NETWORK

Data, racks and clean runs

WHO I'D LOVE TO MEET.

HOMEOWNERS

Remodeling, adding an EV charger, or stuck with an old panel

BUILDERS & DESIGNERS

Got a client with a big vision? I'll wire it.

BUSINESS OWNERS

Opening or moving a restaurant, shop or gym

REALTORS & PROPERTY MANAGERS

Panel got flagged on inspection? Send them my way.

LISTEN FOR "Nobody wants to touch this job" or "My breaker keeps tripping."

THANKS, BNI PREMIERE

SCHEDULE A 1-TO-1 WITH ME.

Ask me anything. Panels, permits, that weird outlet at home.
